Brand New Book ***** Print on Demand *****.One of the hopes of every teacher, especially teachers of God s word is to see evidence (fruit) that what is being taught is actually being learned by the student. In Jesus ministry, a primary focus of his teaching was to insure that the disciples understood all these things (Matt. 13:52). Transferring the Vision has been written with a similar hope.that teachers will know the joy of seeing students grow in wisdom and knowledge as the vision of the instructor is received by the student.
