Editorial Review Amazon Breakout Novel Award Expert Reviewer: What a fresh and timely subject for this book plot! I also like your irreverent writing style. With all the humor in your work you give an interesting commentary about the state of race relations in the US today. It was refreshing to read. There were so many laugh out loud moments. Passages come out of the blue but are explosive with truths. Priceless. Deadly accurate. After all the truth is the truth. race relations. the end of a marriage. the angst of adolescence. Well thought out and well delivered. Real twists on real life happenings that help make your words relatable. Jessica is a likable every teen. She s a great main character. Insightful and funny. Great pacing. Sure to be a best seller. Jessica is fifteen, and about to embark on an adventure with her beloved journalist dad that will lead her to the doorstep of immortality itself.
