Brand New Book ***** Print on Demand *****.Protect Yourself Online - Protecting Yourself From Cyber Crime is all about cyber security online and computer security online. This book shows how to protect yourself and business from online cyber criminals using online computer security programs. Protecting yourself from identity theft and demonstrating various identity protection services as well as credit fraud protection are two of the most common cyber crimes. Protecting Yourself From Cyber Crime is about staying one step ahead of the cyber criminals that are out to steal your life. It only takes one time for it to really hurt! Cyber crime is increasing exponentially and it isn't a matter of if you will be a target; it is simply a matter of when. But the hunted can become the hunter and fight back. There is an array of free protection software that is easy to install and use and all of the software does a fine job of protecting you and your loved ones. You owe it to yourself to read this book and implement what it teaches. Written by one of the nation's leading cyber forensics investigators and behavioral scientist, Dr. Leland Benton imparts his 31-year expertise to all of his readers. Protect yourself today!.
