Kopubco, United States, 2008. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Samuel Edward Konkin III and three-time Prometheus Award-winner Victor Koman present the secret story of Santa's rebel son in the new, full-length children's book: THE LEGEND OF ANARCHO CLAUS. Little Janie White wants a chemistry set for Christmas, but her parents prohibit it. Waiting up until midnight for jolly, plump old Santa Claus to appear so that she can plead her case, she opens her eyes instead to see a jolly, rotund middle-aged elf dressed in black appear on her hearth. He's Anarcho Claus, who brings forbidden toys to non-coercive girls and boys. Whether it's skateboards, laser pens, dirt bikes, an official Red Ryder carbine-action 200-shot range model air rifle with a compass in the stock, or -- yes -- chemistry sets, Anarcho Claus sneaks out of Elf-Land every Christmas in his sleek black sleigh piloted by C.B. -- a very gruff polar bear -- with reindeer Rudy leading the team with his black-light nose stealthily guiding the way. With Santa and the US Air Force in pursuit, Anarcho Claus spirits Janie away to the North Pole, where she learns that toys are a waste product in Elf-Land and Santa has been dumping them on humanity for his own secret purposes! Wry, wickedly witty and fast-paced, THE LEGEND OF ANARCHO CLAUS is the year-round Christmas gift you'll want to read to your children over and over. Samuel Edward Konkin III is the author of two seminal works on libertarianism and Agorism: NEW LIBERTARIAN MANIFESTO and AN AGORIST PRIMER. Over the course of thirty years, he wrote, edited, and published newsletters and magazines such as Laissez Faire, New Libertarian Notes, and 101 issues of...
