AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.My view of reasoning for writing this book is contained within the understanding that all truth is parallel. As we of Alcoholics/Cocaine/Narcotics Anonymous know the words in the Big Book of Alcoholics Anonymous should be adhered to as a sign on the train track. For if not, when the train comes you best believe that you would have heeded the ominous warning. Therefore, here is an ominous warning: First of all, God is not religion; God is spirituality/relationship. And the messages that are written within the Bible/Big Book are from God. For as we all can know and understand each denotation and connotation that comes from man can be paralleled with another reasoning. This means that even though each field of study has unique and separate words, terms and phrases they can be if studied and looked at closely (i.e. examined) coupled with another field of study. Therefore, these specialized words, terms and phrases can be taken together as a context of the whole if applied rightly (Be diligent to present yourself approved to God [by studying], a worker who does not need to be ashamed, rightly dividing the Word of Truth (II Timothy 2:15). As we understand this we know that studying or learning the Bible is very important for it is our Basic Instruction Before Leaving Earth. With that said, when we deal with the King James Version or the New King James Version as utilized in these pages we need to recognize that these pages are not accurately inspired by God Himself, however, it is offered to Him to give Him glory so it is employed in the greatest manner.
