Mascot Books, United States, 2015. Hardback. Book Condition: New. 257 x 208 mm. Language: English . Brand New Book. A child with multiple disabilities is teased by his schoolmates, but guess what happens? This is a story about hurt feelings and making friends. It is about having people not liking you, even when you can do special things, just because you are different from most other kids. Nick journeys from isolation to inclusion within his school community with the help and advice from caring adults. Nick learns to navigate the sometimes treacherous school social environment and to use his talent to build a bridge between himself and his classmates. Phil McConnell, Exec. Director, Work Opportunities; It has been my privilege to know Nick and work with him over the years.
