Telos Publishing Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 210 x 150 mm. Language: English . Brand New Book. London in the late 1980s - the era of Thatcherism and Loadsamoney - is an exciting but sometimes dangerous place to live. Fitzroy Maclean Angel gets by partly through gigging as a jazz trumpet player, partly through taking illegal fares in his de-registered black taxi cab, and partly through . well, just being in the right place at the right time. And, as he often says himself, it s better to be lucky than good. In Just Another Angel, his debut escapade, the streetsmart Angel meets a beautiful and enigmatic blonde - and that s just the start of his troubles. Hotly pursued by a jail-bird gangster and his thuggish henchman, a maverick cop bent on revenge, and a dogged Inland Revenue inspector, he finds his life becoming more complicated by the minute. And just how an emerald pendant, a women s peace camp and a wad of French francs fit into the picture, he can hardly imagine . Back in print for the first time in a decade are the first three titles in Mike Ripley s acclaimed Angel series of comic crime novels. Each title is handsomely packaged and contains an specially-written introduction by the author.
