THE MAN WHO CREATED HALLOWEEN

Createspace, United States, 2012. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book. The Man Who Created Halloween is the fascinating story of one man s improbable journey from the tenements of Brooklyn s Williamsburg to fame and fortune in Hollywood. It is also a chronicle of the shifting winds of change from the old studio system to the emergence of a new generation of independent producers and film makers. Replete with first hand anecdotes we see that tumultuous era thru the eyes of famed producer and film executive Irwin Yablans. Yablans career encompasses the entire gamut of motion picture experience from his early years at Warner Brothers to sales chief at Paramount and Orion pictures, culminating with the formation of his own company, Compass International Pictures. But his story is much more. It is a tale of how determination and perseverance enabled him to overcome seemingly insurmountable obstacles in the rough and tumble motion picture industry. Told in his own words, this candid, no holds barred autobiography finally relates the truth about how the classic film Halloween came into being. The discovery of John Carpenter, the complex relationship with Moustapha Akkad and Joseph Wolf is discussed in never before revealed detail. Written with humor and fidelity to the truth, The Man Who Created Halloween is an essential addition to any film lore library as well as an inspirational example of the possibilities for any man who will not be denied.
