Richard\Ankony. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. Today, the marital infidelity cases among spouses and lovers are being treated only in the physical and psychological realm, which I believe is only partially effective and correct. For it is my contention, throughout this book, to show that without any consideration of the ongoing assault in the spiritual realm the infidelity battle between spouses cannot be properly addressed or won. This book will show you through the polygraph technique and investigative procedures coupled with field observation what to do and ask when marriage infidelity happens to you or when you suspect that infidelity is ongoing in your relationship. I have included here in this book critical marital questions to ask your suspected cheating spouse that I have applied throughout my thirty-three (33) years in the polygraph profession. This book and questions presented to you is to be applied two ways, the first is when pushing comes to shoving in order to seize the high ground and the second is to remedy the transgression in question. That said, though this book may have the initial appearance of being a religious book, it is far from it, but rather a dark journey and spiritual battle into the paranormal and supernatural against a invisible demonic being named, Sharmuta, who is affecting you directly. Sharmuta, cannot be controlled with physical medicine or psychiatric analysis nor killed with guns or knives, yet I believe, she is the root cause of your problem. This book is based on my thirty-three (33) years of experience as a state licensed polygraph examiner and sixteen (16) years as a state licensed private investigator who worked the streets and entered into the homes of working people while dealing with the marriage problem at point blank range...
