## UNDERSPACE WAR TRILOGY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE JUDAS EFFECT: Earth, and the other inhabited planets within our solar system are beginning to search beyond our star for new homes on distant worlds. Judas is one of the test pilots sent out among the stars, utilizing Underspace, which is like a parallel form of reality where the speed limitations the laws of physics in our universe impose on us can be bent if not broken entirely. Judas crash lands on a remote planet after accidental contact with the material that comprises Underspace. The planet is inhabited with two native races, both of which are significantly less technologically developed than humanity. The inhabitants of this new world take special interest in this newcomer, and his android companion. It quickly becomes apparent that there is more to Underspace than anyone initially believed, and Earth is hardly happy to surrender their test pilot, who was in actuality a criminal that they hand chose for what they considered a suicide mission. FOREVER HAS AN END: The sequel takes place sixteen years after the original. I ve added a number of new characters, and Judas finds himself having to defend his large family, and the government of Keymra from internal and external threats. Earth is again becoming a threat, as they learn a way to force open Underspace, and a rebellious war leader decides to take on Judas. On Keymra an influential leader and his group of malcontents make things difficult for the fledgling government. In Underspace things are not well, as it seems that the seemingly eternal slipstream entity may not be around forever unless something drastic is done. This second installment in the Underspace War is different from...
