Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

A CORNER OF THE WORLD

City Lights Books. Paperback. Book Condition: new. BRAND NEW, A Corner of the World, Mylene Fernandez Pintado, Dick Cluster, "Mylene Fernandez offers us a magnificent gift. Her story of lost love and the difficult pursuit of literature is at the same time an X-ray of life in Havana, set in a present where glimpses of the future have not yet arrived."--Leonardo Padura, author of *The Man Who Loved Dogs* and the Mario Conde novels of Havana In contemporary Havana, "Do I stay or do I go?" is always the question, and love doesn't necessarily conquer all. A cautious, reserved professor of Spanish Literature, Marian has no idea that her quiet life is about to be turned upside down. When she's asked to review the work of a young, ambitious first-time novelist, she meets Daniel, and their love affair leads her to question both the choices she's made so far in her life and the opportunities she might yet still have. Theirs is the story of an intense and impossible love, set in today's Havana, a city where there can be no plans, where chance is the order of the day and a fierce sense of loyalty and pride coexists with the desire to live beyond the island's isolation. "The fresh panorama of Cuban society today is painted without taboos or constraints, with a faith in human possibilities, and above all with a courage that stems from what is most legitimate and durable in ourselves."--Nancy Morejon, author of *Looking Within: Selected Poems and Piedra Pulida* "A Corner of the World is about desires and dreams, and, of course, about love."--Achy Obejas, author of *Days of Awe and Ruins* "Like the best of Truman Capote, another master of the short novel, Mylene Fernandez gives us a cast of unforgettable characters: contradictory, complex,...
