Booksurge Publishing, United States, 2009. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Growth Leadership*, Michael Rodgers examines how growth leaders develop, execute, and produce exceptional results in organizations. In today's turbulent economy it is not enough simply to be a leader. It is critical to be a growth leader, i.e. someone who can manage risk while seizing opportunity to impact the bottom line. Growth leaders are buried within organizations; their skills and talents often go unnoticed-and their potential for generating growth is under-recognized and under-utilized. Author Rodgers helps managers, executives, and leadership trainers identify the diamonds in the rough within their organizations, and then arms them with the tools and techniques for leveraging internal talent that has gone untapped. Written in clear, jargon-free prose and impeccably organized, *Growth Leadership* is required reading for any organization striving to move up in today's global economy.
