Leadstart Publishing Pvt Ltd, India, 2015. Paperback. Book Condition: New. 208 x 142 mm. Language: English . Brand New Book. BEING POSITIVE is where the road to empowerment begins. Overcoming negativity in the way you look at every action and inter-action, is the most important step to being positive about your life and your choices, as well as their consequences. When you learn how to focus on what can be done instead of what cannot be done; how to make it happen instead of why it cannot happen; see the humour in the worst situations and see that there are others to show you the way, you will truly empower yourself to do whatever you feel you need to do. You find yourself enjoying life and reaping the benefits of the good choices that you have empowered yourself to make. There will also be the times where you mess up and make a bad choice. But, you will learn from your mistakes and find the motivation for future actions. There is so much to learn from life. If you open yourself up to new possibilities, you will never regret the time you have lived. Regrets are wasteful. Instead, take the steps to living each day better.
