THE CONTINUING EDUCATION OF A TEACHER: THE ROLE OF THE SELF IN HIGHER EDUCATION

Academic Foundation, 2000. Hardcover. Book Condition: New. This treasure collection of Essays on Education emphasizes the " continuing " process of learning that goes along with being an educator. The emphasis on " Personal learning " in these essays constitutes an enduring legacy. THE CONTINUING EDUCATION OF A Teacher is a treasure for several reasons the depth, clarity, and imagination with which the book demonstrates, in a variety of contexts, what it takes to make a good teacher. it is the respectful and loving, though never sentimental, accounts of these students that Howard Wolf consistently gives. The Value of this account is further enhanced by the fact that the book consists of writings at various Times from 1968 to the present. The Unique book examines the inherently volatile issue of the responsibilities of a teacher in Higher education. The author`s ultimate question is " What can I, a teacher, do to make my past relevant to my future; " similarly, to make each Student experience the amplitude of his life ? The Book virtually breaks down all obstacles to authentic exchange between the passive, " unknowing " Student on the one Hand and the authoritarian, " knowing " professor on the other. This is a teacher`s Odyssey of his thirty-year Teaching career, dramatizing the Classroom dynamic that turns teacher into student and student into teacher, it documents the shaping of a man`s commitment, and his humanity, against the back-drop of the trouble times and the changing attitudes of the present-day generation. Printed Pages: 274.
