It is one of the most popular ebooks. I have studied it and I am certain that I am going to likely read it again yet again in the future. I am happy to inform you that this is actually the greatest ebook I have studied inside my very own life and might be the best ebook for possibly.

THE SECRET OF THE GOLDEN FLOWER

Book Tree,US, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The word secret appears in many book titles in an effort to create sales, but the reader often finds few secrets inside. This book is a rare exception. There is a powerful secret to be found within these pages. It claims to contain the hidden jewel that both Eastern and Western religions have been seeking for centuries. Religions have lost their focus, having turned their attention away from this mystical process and toward their dogmatic theologies. The Golden Flower, in terms of this book, is the hidden light within the human body that is the key to spiritual enlightenment. This book reveals how the reader can tap into it using meditative and Taoist Yoga practices. This can result in higher wisdom, spiritual bliss and a complete transformation of consciousness. It includes a Commentary by the legendary psychologist C.G. Jung concerning the differences in consciousness between the East and West, as well as his closing Appendix honoring the memory and accomplishments of the original Translator of this work, Richard Wilhelm.
