Poisoned Pen Press, United States, 2012. Paperback. Book Condition: New. Reprint. 216 x 140 mm. Language: English . Brand New Book. Praise for Scare the Light Away. Well-crafted storytelling and an evocative setting make for a rewarding debut. -Publishers Weekly Delany delivers an outstanding debut novel that explores the good, the bad, and the ugly of family relationships. -Booklist Rebecca McKenzie, a successful Vancouver businesswoman, returns to tiny Hope River after an absence of 30 years to attend her mother s funeral. Estranged from her father and two older siblings, she d left a brutal childhood and a psychopathic grandfather behind. She expects her visit to be short. But then she discovers the diaries written by her mother, a British war bride with a young baby who came to Canada to join a husband she scarcely knew, and finds her heart wrung by her mother s story. Meanwhile, a young girl has gone missing, and suspicion falls on Rebecca s handsome, charming brother Jimmy. Before long, violence threatens and Rebecca must put aside some long-held grievances to cut to the heart of the crime. Once a systems analyst in the high-pressure financial world, Vicki Delany is settling down to the rural life in bucolic Prince Edward County, Ontario, where she rarely wears a watch. As well as writing novels of modern psychological suspense, Vicki is the author of the Constable Molly Smith traditional village mystery series, recently optioned for Canadian television.
