Elle can t help but want more, though. Jim may be going insane. He s been chasing Elle for months. He s flirted with her, asked her out, and done everything else he could think of to get her attention short of skywriting his feelings. When Elle finally agrees to go out with him, things quickly heat up between them. What starts out as a single spark of attraction between them quickly burns out of control. As they settle into the beginnings of a relationship, one moment will change their lives forever. Is their relationship strong enough to survive when reality sets in? ** A Siren Erotic Romance.
